

Community Care Northumberland

Delicious, nutritious meals are available for a small fee to individuals who cannot cook for themselves or easily shop for groceries. Volunteers deliver meals to client’s home during the noon hour. Clients in Northumberland County** can order hot or frozen meals, and special diets can be accommodated. Potential clients must register for this service.

With the help of local volunteers, over 21,500 hot and frozen meals were delivered from April 1st, 2016 to March 31st, 2017.
